

The Liberty™ Tabletop Bingo System is preferred by so many game operators because of its size and lightweight design. The Liberty's portability makes it easy and convenient to set up, use, and store!

- › Ideal for areas with limited space, and small, informal settings such as recreational facilities
- › Large wraparound display window for increased visibility
- › Color-coded ball tray
- › Does not require a flashboard
- › Blower can operate as a tabletop model when used independently, or as a floor model if used with the optional locking stand, equipped with non-skid casters
